## PROFESSIONAL SUMMARY

Senior Software Engineer with 7+ years expertise in Node.js, Laravel, Django, Angular, React, and AWS. Spearheaded concurrent projects with high on-time delivery rates, overseeing teams of up to 12 engineers. Enhanced code quality through rigorous testing and code reviews, achieving a significant reduction in post-release bugs by 40% and ensuring compliance with industry standards across 40+ projects within the software development lifecycle. Architected scalable APIs processing 1000+ requests per second with 99.9% uptime. Boosted sales by 30% through software solutions. Optimized database performance, trimming average page load times from 3 to 1.2 seconds.

## SKILLS

- Programming Languages: Node.js, PHP, Python, Ruby, JavaScript, TypeScript
- Frameworks: Laravel, Django, React, Next.js, Nest.js, Ruby on Rails, Flask, FastAPI
- Cloud & DevOps: AWS, Docker, Kubernetes, Digital Ocean
- Databases: MySQL, MongoDB, PostgreSQL
- Web Technologies: HTML, CSS, AJAX, JSON
- Methodologies: Agile, Microservices Architecture
- APIs & Query Languages: RESTful APIs, GraphQL
- Other: Third-Party Integration, Software Architecture, Analytics, Web Security

## PROFESSIONAL EXPERIENCE

### SENIOR SOFTWARE ENGINEER | Freelancer | 01/2019 to Current

- Crafted scalable applications using agile methodologies, slashing project delivery time by 25% and meeting 100% of deadlines.
- Orchestrated 4 complex projects simultaneously, maintaining zero defect quality standards and reducing rework by 30%.
- Engineered automation tools for deployment, curtailing downtime by 75% and deployment errors by 90%.

- Architected robust, scalable infrastructures accommodating a 300% increase in user base without performance degradation.
- Conceptualized and launched 10 high-quality applications using Agile methodology, accelerating time-to-market by 35%.

#### **LEAD SOFTWARE ENGINEER | MediQ Pvt Ltd - Islamabad | 06/2021 to 01/2022**

- Innovated a systematic approach to code reviews, performing over 200 evaluations each year, leading to a significant reduction in post-release bugs by 40% and achieving a steadfast 98% quality compliance rate.
- Expanded user base by 50% through responsive technical support, addressing 30+ weekly issues with a 95% satisfaction rate.
- Created 15+ software solutions using Node.js, Laravel, and AWS, elevating client operational efficiency by 30%.
- Mentored 10 new software engineers and guided 15 junior developers, improving team code quality metrics by 35%.
- Directed the successful execution of 6 simultaneous projects while achieving a remarkable 95% on-time delivery rate, leading a cohesive team of 8 engineers to complete a total of 12 projects with exceptional client satisfaction metrics.

#### **SENIOR SOFTWARE DEVELOPER | Allomate Solution - Lahore | 10/2020 to 05/2021**

- Established 20+ development environments on AWS and Azure, introducing key software solutions that increased sales by 30%.
- Authored comprehensive documentation and analyzed performance metrics, reducing support tickets by 35% and improving response times by 45%.
- Resolved 100+ critical system errors and engineered 10 databases, elevating system uptime to 99.9%.
- Piloted 5 large-scale software deployments impacting 10,000+ users, delivering high-quality code with 95% on-time completion rate.
- Collaborated with cross-functional teams to integrate software components and shape complex systems, ensuring scalability for 200% user growth.

#### **JUNIOR WEB DEVELOPER | 3s Solutions - Lahore | 02/2017 to 09/2020**

- Built and maintained 15+ web applications, boosting user engagement by 40% and reducing bounce rates by 25%.
- Composed 1000+ lines of clean, well-documented custom code, trimming code review time by 30%.
- Executed website development for 10 projects, delivering 95% on time and within budget.
- Constructed 8 robust web applications with PHP frameworks, streamlining development cycles by 40%.
- Enhanced query performance for 12 projects, decreasing page load times by 50%.

## **EDUCATION**

- **Bachelor of Business & Information Technology, Computer Science** | Preston University - Lahore | 01/2014
- **Intermediate in Computer Science, Information Technology** | Quaid-e-Azam College - Lahore | 01/2010
